

Mill-Right Woodworking has had the privilege to work for, and with, some of the 'premiere' businesses throughout Eastern Canada. Incorporated in 1999 as a result of the increasing demand for quality retail fixtures and commercial casework, Mill-Right understands that each and every commercial space requires individual attention.

We are currently recruiting for an immediate need for **Experienced Cabinetmakers:**

Duties:

- Cabinetmakers are responsible for the construction of a variety of commercial casework and fixtures.
- Candidates must have the ability to read and understand plans and shop drawings and be able to build custom pieces in an efficient manner.
- Effective communication and interpersonal skills are also required.

Preferred Experience/Education:

- Minimum of three years' experience in cabinet production; reading and interpreting architectural woodworking plans and specifications
- Ability to work with a team; communicate clearly; problem-solve to achieve design intent
- Ability to work the hours needed to get the job done
