

Position: Cabinetmaker

Mill-Right Woodworking Inc. has provided custom commercial woodwork for important clients in retail, hospitality and corporate sectors throughout the Atlantic Provinces since 1999. We are currently looking for an **Experienced Cabinetmaker** to join our growing team in Bedford, NS.

Mill-Right Woodworking Inc. offers challenging and interesting work, a competitive salary, a group benefits plan, and a Registered Pension Plan with matching program.

We are looking for someone with strong communication, interpersonal, analytical and problem-solving skills who is able to work well on a team and able to work the hours needed to get the job done. Candidates must have the ability to read and understand plans and shop drawings. The ideal candidate will have at minimum three years' experience in cabinet production/ custom woodworking.

Responsibilities

- Read and understand blueprints.
- Assemble and finish cabinet and millwork components according to drawing specifications.
- Use of proper Personal Protective Equipment is required.
- Dedication to quality craftsmanship.
- Operate and use a variety of hand tools and equipment.
- Maintain a clean working area between tasks and at end of day.
- Travel throughout the Maritimes is a periodic requirement to assist with on-site installation.

If you are interested in joining our highly skilled team in the exciting world of custom commercial woodworking, please [apply now](#).
